## A Message from Supervisor Rich Schaffer

Dear Resident:

We made it to 2022! On behalf of my colleagues on the Town Board, I would like to wish you and your family a happy and healthy new year.

2021 was another challenging year, but I have to commend and thank our residents for their perseverance and strength as we continued to deal with the effects and aftermath of the COVID-19 pandemic. I would also like to thank our amazing town staff including our blue collar Teamsters Local 237 and white collar CSEA Region 1 employees as well as our part-time and seasonal staff, and of course, our administrative team, for the hard work and dedication over the last two years.

Inside this calendar you will find important information regarding garbage pickup, town services and programs, as well as exciting news from our community. Please make sure to read through and see what is available to you as a resident.

It's a special year for the Town of Babylon as we mark the 150th anniversary of our establishment. In 1872, residents voted to separate from the Town of Huntington and form the Town of Babylon. From humble beginnings, our town has grown and adapted to meet the needs of our residents and businesses. Celebrating our shared history, our anniversary theme is - *Town of Babylon... United in Care, Consideration and Compassion*. For more information, please check [www.townofbabylon.com](http://www.townofbabylon.com) for a list of anniversary events occurring throughout the year.

I wish you a fantastic 2022!

You may have noticed some numbers in shaded circles on the recycling calendar. The circled numbers correspond to Sweep Zones in the Town's Street Sweeping Program. The Town's Street Sweeping Program will commence in April.

**To view your street sweeping zone, visit [townofbabylon.com/456/street-sweeping](http://townofbabylon.com/456/street-sweeping).**

This year, each zone will be swept **four** times between the months of April and October. In the event of inclement weather, Fridays during the months of April through October (excluding July) will be used for makeup days.

Please remember to remove obstacles from the street on your scheduled sweeping days. Make sure to move automobiles, basketball hoops and other obstacles from the curb line so that our sweepers can be as thorough as possible.

## Summer Concerts & Movies

In 2021, we were glad to be able to safely welcome our residents back to the annual Summer Concert and Movies Series'. The Concert Series featured fan favorites like Jessie's Girl and Lords of 52nd Street, while the movie series featured kids classics like Star Wars and Finding Nemo. As always, admission to all summer concert and movies is free to all residents and we hope to see you at both series in 2022! Be sure to check out this summer's line up in our 2022 online interactive recreation guide.

## Bike Share Program Allows Residents to Explore Expanded Ocean Parkway Greenway

Enjoy the Ocean Parkway Coastal Greenway with a bike ride via the Bethpage Ride Pedal Share Program! Bike stations located at both Cedar and Gilgo beaches allow residents to easily check out a bike and go for a scenic ride on the barrier island. The extension of the coastal greenway into Babylon was completed in early 2021 and allows riders to go from Jones Beach State Park all the way to Captree State Park or anywhere in between. For more information, please visit the Bethpage Ride website at: [ridepedalshare.com](http://ridepedalshare.com)

## Local Students Paint Murals at Cedar Beach

As residents return to Cedar Beach for the 2022 summer season, they'll be met by a brand new mural in the tunnel that connects Cedar Beach to Cedar Beach Marina. In October 2021, a mural painted by students from Amityville, Babylon, Deer Park, North Babylon and West Babylon High Schools was dedicated at Cedar Beach. Local artist Ron Becker, who serves on the Babylon Citizens Council on the Arts (BACCA) Advisory Panel, facilitated the participation of local high school artists under the guidance of their teachers. Students were encouraged to design their sections of the mural following a nautical theme, and there are plans to complete a second mural in the spring of 2022 with students from additional Town of Babylon school districts.

## Parks Improvements

The Town of Babylon proudly unveiled new and improved equipment to our parks facilities in 2021. New ball fields at Tanner Park, and new playgrounds at Overlook Beach and Fabio Buttitta Park in Deer Park all made for a fun and enjoyable summer for kids throughout the town.

In 2022, the town will continue to invest in its parks with planned updates at several facilities and money dedicated in the capital budget to adding handicapped accessible equipment to playgrounds throughout the town.

# Small Business Support

## Councilman Anthony Manetta Chairman, Small Business Committee

If you have questions for Councilman Manetta,  
please call his office at: (631) 957-4482

### Councilman Manetta Asks You to Patronize Your Local Businesses

Locally-owned businesses are the heart of the Town of Babylon's economy.  
Their owners and staff have a vested interest in the communities they operate in.  
Now, they need our help.

The outbreak of COVID-19 on Long Island has affected many aspects of our lives. It's  
especially hard for our small businesses who have closed their doors in an effort  
to stop the spread to keep their customers and employees safe.

I encourage our residents to support these businesses as they recover and rebuild. Order  
takeout from your favorite restaurant, stop by a local coffee shop, buy new clothing or a  
special one of a kind item from a boutique rather than a national department store chain, or  
purchase a gift card from one of the many local businesses that offer them.

By working together, we can help our small businesses  
get back on their feet and strengthen our local economy.

### The Babylon IDA is Here to Help!

The Babylon Industrial Development Agency (IDA) is committed to  
helping small businesses across the Town of Babylon. The IDA has  
launched multiple initiatives in the wake of COVID-19, including a  
Business Boot Camp video series, support for local artists, assistance  
for minority and women-owned businesses looking to expand their  
operations and more. Visit [www.babylonida.org](http://www.babylonida.org) for more information.

### Chamber of Commerce Directory

Our amazing lineup of Chambers of Commerce  
across the town are here to help! Reach out to your  
local chamber to find out how they can assist your  
businesses' needs as you navigate the recovery  
process from these uncertain times.

## Town of Babylon Honors "Hometown Heroes" with Banner Program

In 2021, The Town of Babylon partnered with the Lindenhurst Kiwanis Club to honor our local heroes by hanging banners on lightposts in every hamlet across the town. The banners feature the photo and name of someone who has bravely defended our country overseas, and they are hung from Memorial Day to Veterans Day.

The program for 2022 will reopen in January 2022. To purchase or renew a banner, constituents can visit [www.lindenhurstkiwanis.org/HometownHeros](http://www.lindenhurstkiwanis.org/HometownHeros). Also check [www.townofbabylon.com](http://www.townofbabylon.com) for more information.

## Veterans Awareness Week in the Town of Babylon

The Town of Babylon begins Veterans Awareness Week the week before Veterans Day with a ceremony in the Town Board Room to honor our nation's service-members and recognizes the sacrifices that they and their families have made. Our military veterans are invited to participate in the program and the winners of a town-wide school essay contest are announced. Please check the Town's website for dates and times for this year's activities. In 2021, the event was held at Tanner Park Senior Center due to renovations in the Town Board Room.

## Run for the Warriors

The Run for the Warriors is an annual event hosted by the Town of Babylon each November. In 2020 and 2021 the event was held virtually due to the COVID-19 pandemic. Check the town website for more information on the Run for the Warriors. We hope to see you back in person in 2022!
